**Re: Imagimed, LLC v. Westchester Fire Insurance Company
Case No. 13-cv-02031 (RA)**

Dear Judge Abrams:

We represent defendant Westchester Fire Insurance Company. We are writing jointly on behalf of Westchester and plaintiff Imagimed, LLC to request an extension of time, through June 14, 2013, within which to file (1) a joint proposed scheduling order and (2) a joint letter addressing the subject matter of this action, including claims, defenses, and the potential for a settlement.

The reason for our joint request is that the parties have agreed to a settlement-in-principle. Westchester's counsel is drafting a settlement agreement, which it expects to send to Imagimed's counsel by this Monday, June 3. The parties hope to complete the settlement within the next two weeks. Meanwhile, the parties are scheduled to appear for an initial conference on June 7. At the conference, the parties will report on the status of the settlement documents.

We appreciate the Court's considering the parties' joint request to extend our time this way. We are also available for a conference call to further discuss the status of our settlement-in-principle.

Sincerely,

Kevin D. Szczepanski /bmo
